ORDER

JESSE M. FURMAN, United States District Judge:

Having reviewed the parties' letters filed late last week (Docket Nos. 76, 78, 79), and upon further reflection, the Court sees no need to resolve the outstanding disputes regarding trial exhibits in advance of the settlement conference scheduled for tomorrow, as — in light of the Court's oral rulings of May 28, 2015 — the parties should already have adequate information regarding the scope of remaining claims (and, accordingly, the risks of proceeding to trial versus settling). Additionally, Plaintiff has not yet submitted hard copies of his proposed trial exhibits (which were to be submitted with his pretrial filings and thus are long overdue). Accordingly, Plaintiff shall submit hard copies to chambers no later than **July 16, 2015**; the Court will address Defendants' objections to those exhibits at the final pre-trial conference scheduled for July 20, 2015.

SO ORDERED.
